

RINGETTE ASSOCIATION THREE FUN3 TEAMS!

≡ Let's make it another great season! ≡

We are excited to welcome both new and returning players to another fun-filled season of Mitchell Ringette!

With ringette continuing to grow in our community and the excitement around our sport stronger than ever, we are thrilled to share that we expect to host **at least three FUN3 teams** this season! It is wonderful to see so many young athletes joining our association, and we can't wait to watch them learn, develop, and have fun on the ice.

Our goal this year is to complete the FUN3 evaluations and team placement skates **before school begins**, allowing teams to be formed early so everyone can start the season ready to go.

We do want to apologize that the FUN3 evaluations will be held at the **Wilmot Recreation Complex** rather than locally. We worked very hard to secure enough ice closer to home, but unfortunately we were unable to find sufficient availability.

The evaluation skates are simply an opportunity for our evaluators to get to know each player's current skill level so that we can create balanced teams where everyone has the opportunity to develop, build confidence,
